

Reflections from those who have made

The Evangelical Life Retreat

Presenters: André and Sr. Ann Bremmer, OSF

"Our lives are cyclical – we may have been in community 25 – 48 years. We (our vocation fervor) sometimes grow cold – but this retreat has been a profound experience. We can fall in love again."

Sr. Janice Campbell, OSF

"After 48 long years – a dynamic retreat that integrates one's personal intimate relationship with God and one's personal intimate relationship with everyone! Powerful!"

Sr. Jane Marie Wapinski, OSF

"This retreat based on Franciscan Theology was enlightening and prayerful. The daily reflections on each theme: Conversion, Contemplation, Fraternity, Mission, and the Cross remain deeply planted within you. The grace-filled insights enable you to pray and minister in a more loving way."

Sr. Alma Punkel, OSF

"If you want to know how God initiates a relationship with you then this 'Evangelical Life Retreat' is for you."

Sr. Marianne Walters, OSF
